

2022 NRA Approved Mid-Range Slow Fire Prone

High Power Rifle Match

Sponsored By

Burbank Rifle and Revolver Club

The mission of Burbank Rifle and Revolver Club is to promote the shooting sports and foster competition and fellowship in marksmanship. To that end, this series of tournaments is being held to help competitors establish NRA High Power Rifle mid range classifications, to promote good sportsmanship and the practice of rifle marksmanship by the BRRC membership and the shooting community. NRA membership is strongly encouraged but not mandatory for approved events.

Tournament dates: January 15th, February 19th, March 19th, April 16th, May 21st, June 18th, July 16th, August 20th, September 17th, October 15th, November 19th, December 30/31st (Annual New Years Eve Club Match).

Match schedule and conditions: 60 shot mid range prone match will be fired in three separate stages.

The primary course of fire will be as follows:

Stage 1 slow fire prone: unlimited sighters with 20 shots for record in a time limit of 30 minutes; fired on the MR-1 target at 600 yards using any rifle and any sights.

Stage 2 slow fire prone: unlimited sighters with 20 shots for record in a time limit of 30 minutes; fired on the MR-1 target at 600 yards using any rifle and any sights.

Stage 3 slow fire prone: unlimited sighters with 20 shots for record in a time limit of 30 minutes;

Stage: total score of slow fire prone Stages 1 through 3: 600 aggregate.

An alternate match schedule we might employ the day of the match (at match director's discretion and without notice) would be as follows:

Stage 1a slow fire prone: unlimited sighters with 15 shots for record in a time limit of 22 minutes; fired on the MR-1 target at 600 yards using any rifle and any sights.

Stage 1b slow fire prone: unlimited sighters with 15 shots for record in a time limit of 22 minutes; fired on the MR-63 target at 300 yards using any rifle and any sights.

Stage 2a slow fire prone: unlimited sighters with 15 shots for record in a time limit of 22 minutes; fired on the MR-1 target at 600 yards using any rifle and any sights.

Stage 2b slow fire prone: unlimited sighters with 15 shots for record in a time limit of 22 minutes; fired on the MR-63 target at 300 yards using any rifle and any sights.

Stage 3a slow fire prone: unlimited sighters with 15 shots for record in a time limit of 22 minutes; fired on the MR-1 target at 600 yards using any rifle and any sights.

Stage 3b slow fire prone: unlimited sighters with 15 shots for record in a time limit of 22 minutes; fired on the MR-63 target at 300 yards using any rifle and any sights.

Stage 4: total score of slow fire prone Stages 1a through 3b: 600 aggregate.

Scores fired for either format will follow rules 7 and 7.20 respectively. Stages one through three will culminate in stage four as an aggregate score. A competitor's aggregate score will be used for award purposes and for the reporting to NRA for classification. Individual stages will not be reported as complete matches. If a shooter fails to complete his three stages, whatever his total score may be will be reported under the total aggregate fired format.

Matches are geared to 600 yards for up to twenty five shooters, 300/600 yards for twenty six to forty shooters at the match director's discretion.

The BRRC mid range match has transitioned to an electronic target system but unknown conditions may present itself where it will be necessary to pull targets in the pits under the old system. In the event of such conditions, competitors would be required to perform not simply scoring duties but to operate targets in the pits.

Challenge fees: None.

Awards: Prizes will be awarded by either class or rifle type or combination of both at the match director's discretion.

Rules: Current NRA High Power Rifle rules apply. The match is open to any rifle conforming to NRA HP Rifle Rule 3.2 and any sight" conforming to NRA rule 3.7(c).

3.2 Any Rifle - A rifle with no restrictions on sights or accessories, except that it must be safe to competitors and range personnel. Ammunition will be restricted to no larger than .35 caliber.

The **3.7 Sights** (c) Any - Any sight without restriction as to material or construction.

3.16.1 Compensators and Muzzle Brakes -The use of compensators or muzzle brakes is prohibited. (The California legal muzzle device on M1A's is exempted from this restriction).

7. Courses of Fire - Under this rule, "other course of fire, other time limits, or the use of other targets, may be scheduled by sponsors provided the condition are clearly stated in the program".

7.20 Mid Range Prone Courses - Prone 600 or Split 300/600, 15 or 20 shots per stage. Separate stages are not reported for classification. Total match aggregate of 600 points are reported for NRA classification purposes per rule 7 (Courses Of Fire).

F Class - You're welcome to participate with F-class rifles and equipment. F-class scores will be used to determine match winner. F-class scores will be submitted to the NRA and will be used for classification separately under the NRA's statistic guidelines. F-Class competitors will shoot on the correct NRA F-Class target for all distances.

Registration/Entry fee: individual entry fee for NRA approved matches is \$20.00 for BRRRC club members and \$30.00 for participating guests. Active duty military personnel will not be charged an entry fee.

Entry limit: At match director's discretion, primary format @ 600 yards; maximum of 25 shooters. At match director's discretion, secondary format at 300/600 yards; maximum of 40 shooters. Competition open to: all for approved matches, NRA members for any future registered matches.

Entries close: 08:00 am day of match.

Firing starts: 8:15 am

Club's New Year's Eve NRA Approved match held on 12/30 and 12/31 are two (2) separate events. Any competitor shooting either day will be required to pay a separate entry fee for each day.

Mail entries to: Entry fees will be due on the day of the event. Do not prepay for these matches as they could be canceled by weather.

Classification of competitors: NRA high power mid range rifle classifications will be used. Be prepared to show proof of your current classification. If you have not yet been issued an NRA mid-range classification, master unclassified will be used.

Safety: Empty chamber indicators will be used. Eye and ear protection is required. Each competitor will receive a copy of the range safety rules and will sign waiver of liability before being allowed to compete. Any disregard for safety may, at the sole discretion of the match officials, result in disqualification from the match and/or expulsion from the range.

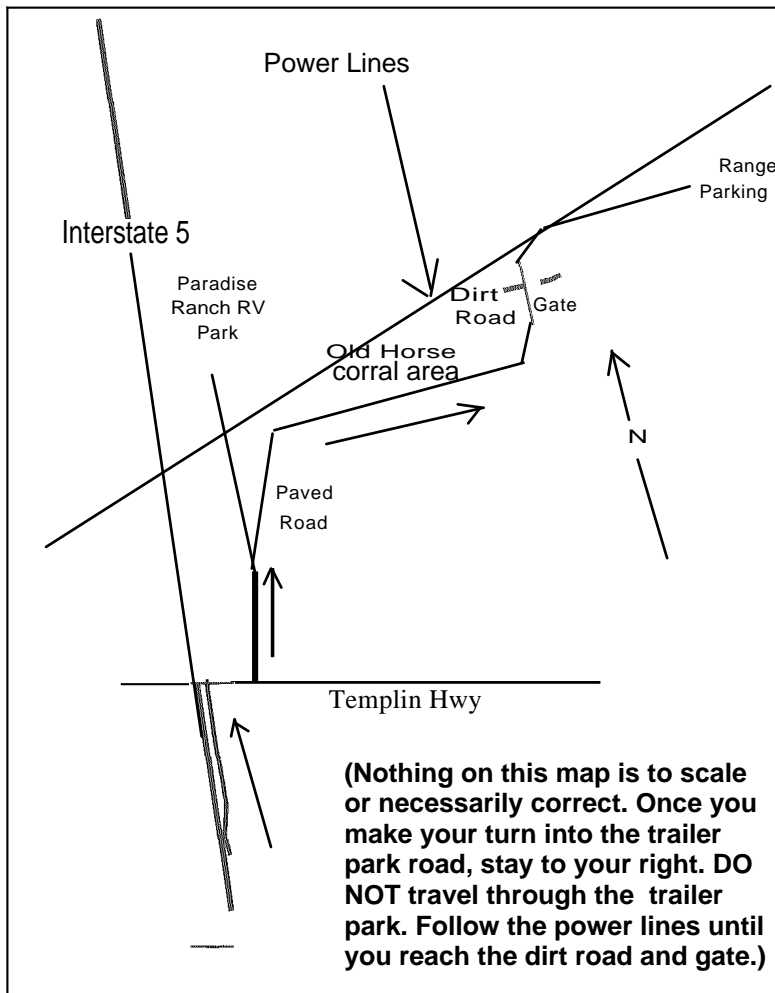

Match cancellation: in the event of inclement weather, the match is subject to cancellation This includes rain prior to the day of the match which may make the dirt road passage difficult. If there has been rain in the Castaic area (including the Los Angeles basin) during the week preceding the match, competitors should call to verify that the match will be held. **IF THE ROAD IS WET, DO NOT DRIVE ON THE ROAD!**

Additional Equipment Requirement: As BRRC transitions to an electronic target format, it will be necessary for each competitor to be able to access the electronic targets on an individual basis. Each shooter must be able to access the targeting system wirelessly by laptop, cell phone Android or any other device that is able to access a wireless network. BRRC does not provide these devices. Failure to bring such a device could disqualify the shooter from participating in the event.

General information: Competitors and spectators must provide their own drinking water and food. There is a shade structure but providing your own is recommended as an auxiliary measure during the summer months. Their placement shall not interfere with range safety. Lavatory facilities are available. No food or electricity is available. Overnight camping by non-members is available on a limited basis by prior arrangement only. Motel accommodations are available in nearby Castaic. No trash pickup at the range - take out what you bring in.

Directions to range: Take Interstate 5 to the Templin Highway off ramp (approx. 5 miles north of Castaic). At the foot of the Templin Hwy off ramp, turn east. Approximately 50 ft east of Interstate 5 turn left (north) onto Paradise Ranch Road. Proceed approximately 200 yd over the rise in the road to where the paved road forks. Go right at the fork. Continue until past the RV park and race track. Near the end of the road, where the paved road turns left (and ends in a driveway shortly thereafter), continue straight ahead leaving the paved surface going onto the narrow dirt road which bends to the left. Follow this road past the entry gate, proceed to the range and park
